A clear vision for the future

Transforming Vision Worldwide

Horizons Optical is a global partner committed to transforming vision into exceptional experiences. With an office in Dallas, support hubs in Brazil and Colombia, and our headquarters in Barcelona, we bring personalized solutions to clients worldwide. Our presence spans across regions, with 31% in America, 29% in Europe, 18% in Latin America, 19% in Asia, and 3% in Africa.

Every year, we produce 8 million lenses and over 3000 bespoke frames, empowering more than 150 factories and 1000 optical retailers with our cutting-edge technologies. With 9 international patents and over 1000 VR headsets distributed, we merge innovation with care to redefine how vision is experienced.

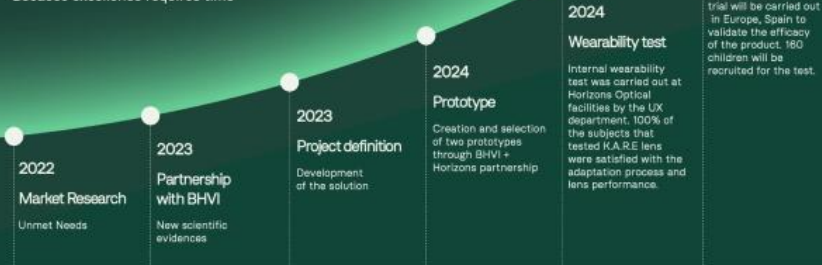

A new era in myopia control

A dedicated process to bring you a myopia control solution that stands out

Because excellence requires time

A clear vision for the future
