

FEEL AUÉREZ

ESTEFANÍA FLOFES

Felgueréz es una tipografía en homenaje al pintor y escultor mexicano Manuel Felguérez. Esta tipografía esta basada en sus obras artístico-científicas hechas en colaboración con el ingeniero en sistemas Mayer Sasson mientras Felguérez estaba en Cambridge y Sasson en Nueva York via correop, donde se diseñaron modelos matemáticos para convertir información estilística en datos numéricos, haciendo uso de la geometría, las matemáticas y la cibernética.
